ORDER

Came on for consideration the motion of Christopher Robert Weast for leave to file amended motion under 28 U.S.C. § 2255 to vacate, set aside, or correct sentence. The court finds that the motion should be denied. Movant had ample time in which to prepare and file his motion under § 2255. The court notes that he waited until the last possible moment to do so. Movant does not identify any additional grounds he wishes to assert. At this point, the court has already twice extended the time for filing movant's reply to the government's response to his motion. It appears that he is simply trying to further delay resolution of his motion.

The court ORDERS that movant's motion for leave to file

amended motion be, and is hereby, denied.

SIGNED January 9, 2018.

United States District Judge
